Moovly Media Announces Private Placement

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Jan. 4, 2017) - Moovly Media Inc. ("Moovly" or the "Company") (TSX VENTURE:MVY) announces a brokered private placement of units (each, a "Unit") at a price of \$0.15 per Unit for gross proceeds of up to \$2,100,000. Each Unit will be comprised of one common share in the capital of the Company (a "Common Share") and one common share purchase warrant (a "Warrant"). Each Warrant will entitle the holder to purchase a Common Share at a price of \$0.25 per share for a period of one year from the date of issuance.

Leede Jones Gable Inc. (the "Agent") has been engaged as the exclusive agent of the Corporation to offer the Units on a commercially reasonable efforts basis. The Company has granted the Agent an option to sell up to an additional \$315,000 of Units at a price of \$0.15 per Unit.

All of the securities issued under the private placement will be subject to a four month resale restriction. The completion of the proposed private placement remains subject to the approval of the TSX Venture Exchange and the satisfaction of other customary closing conditions.

The net proceeds from this offering are expected to be used to fund sales and marketing growth of the Company and accelerate commercialisation of two key products groups as well as for general corporate purposes.

About Moovly:

Moovly is a cloud based multimedia platform that enables people to create engaging multimedia content by making it affordable, intuitive and simple. Users choose from extensive animated content libraries in various styles and can add their own images, movies and sounds to create captivating videos and presentations. Finished work is published on major social channels like Facebook and YouTube, shared for viewing or editing in the online Moovly User Gallery or downloaded with the click of a button.

Today Moovly is used in education, businesses of any size and government, non-government and non-profit organizations. Moovly is also adopted by private consumers and broadcasters to create videos that explain, promote, engage, inspire, educate and entertain. Videos can be played on mobile devices, TV screens, digital billboards and more.

Moovly makes video content recyclable, easy to edit, fast to update and possible to translate, all in-house. Powerful business features include API access, custom style and brand libraries, total white-label option, custom user interface capability, high-level security, premium support and commercial boost services. The platform is accessible from computers as well as iOS mobile devices.

Reader Advisory

This press release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. The use of any of the words "expect", "anticipate", "continue", "estimate", "objective", "ongoing", "may", "will", "project", "should", "believe", "plans", "intends" and similar expressions are intended to identify forward-looking information or statements. More particularly and without limitation, this news release contains forward looking statements and information with respect to Moovly's future business plans and the expected benefits of its products. The forward-looking statements and information are based on certain key expectations and assumptions made by the Company. Although the Company believes that the expectations and assumptions on which such forward-looking statements and information are based are reasonable, undue reliance should not be placed on the forward looking statements and information because the Company can give no assurance that they will prove to be correct.

By its nature, such forward-looking information is subject to various risks and uncertainties, which could cause the actual results and expectations to differ materially from the anticipated results or expectations expressed. These risks and uncertainties, include, but are not limited to, Moovly's inability to continue to commercialize its products or demand for its products decreases or disappears. Other risk factors are set forth in detail in the Company's Management Information Circular dated March 30, 2016 which is available for review under the Company's corporate profile at www.sedar.com. Some other risks and factors that could cause the results to differ materially from those expressed in the forward-looking information also include, but are not limited to: general economic conditions in Canada, the United States and globally; industry conditions, unanticipated operating events; failure to obtain any necessary third party consents and approvals, if and when required; the availability of capital on acceptable terms; the need to obtain required approvals from regulatory authorities; stock market volatility; competition for, among other things, capital and skilled personnel; changes in tax laws; and the other factors. Readers are cautioned that this list of risk factors should not be construed as exhaustive.

The forward-looking information contained in this news release is expressly qualified by this cautionary statement. Readers are cautioned not to place undue reliance on this forward-looking information, which is given as of the date hereof, and to not use such forward-
